## Corbelle Comfort Height

The Corbelle two-piece toilet delivers powerful, clean swirl-style flushing in a sleek skirted design. Kohler's most complete flush ever, Revolution 360 swirl flushing technology keeps your bowl cleaner longer than a conventional flush. Installation is easy with the ReadyLockT system: the skirted trapway installs to the floor flange and attaches to the toilet, eliminating the need to drill holes while offering the same secure installation as non-skirted toilets. This WaterSense-labeled high-efficiency toilet brings you annual water savings.

## Features

- Twp-piece design
- Elongated bowl offers added room and comfort
- Skirted trapway simplifies cleaning.
- Revolution 360® flushing technology generates a forceful swirling motion to keep the bowl clean longer

## Cimarron Comfort Height

The Cimarron Comfort Height toilet has become an enduring symbol of power and timeless beauty. Trusted for years by professionals and homeowners, Cimarron features Kohler's most complete flush ever, Revolution 360 swirl flush powered by the AquaPiston flush valve. Revolution 360® swirl flushing technology keeps your bowl cleaner longer than a conventional flush. Installation saves you time and money, too, with Kohler's patent-pending two-bolt tank-to-bowl omni-directional leveling system.

## Features

## Betello Comfort Height

Automatic cleaning meets powerful swirl-style flushing with the BetelloT with ContinuousClean two-piece toilet, featuring a contemporary skirted design. ContinuousClean system which harnesses the antimicrobial cleaning power of off-the-shelf white tablets to automatically fight germs with every flush and keep your bowl clean longer. Simply place a cleaning tablet in the tank compartment, set the desired amount with the adjustment dial, and the system does all the work, evenly mixing fresh water with the cleaning agent and dispensing cleaning solution into each flush via the rim jet. Paired with Kohler's Revolution 360® flush technology, ContinuousClean raises toilet cleanliness to a new level.

## Features

- Twp-piece design
- Elongated bowl offers added room and comfort
- Skirted trapway simplifies cleaning
- ContinuousClean system automatically dispenses cleaning solution with every flush
