# Toilets

## Archer® Comfort Height®

The Archer Comfort Height Toilet combines exceptional performance and the enduring transitional style of the Archer collection. Blending subtle design elements found in Craftsman furniture and the intricate facets of fine jewelry, this combination of beveled edges and curved bases creates a timeless look that complements a wide range of styles. Available in an array of KOHLER colors to match any bathroom decor.

### Features

- Two-piece design
- Elongated bowl offers added room and comfort
- Comfort Height feature offers chair-height seating that makes sitting down and standing up easier for most adults
- 1.28 gpf (4.8 lpf)

## Corbelle Comfort Height

The Corbelle two-piece toilet delivers powerful, clean swirl-style flushing in a sleek skirted design. Kohler's most complete flush ever, Revolution 360 swirl flushing technology keeps your bowl cleaner longer than a conventional flush. Installation is easy with the ReadyLockT system: the skirted trapway installs to the floor flange and attaches to the toilet, eliminating the need to drill holes while offering the same secure installation as non-skirted toilets. This WaterSense-labeled high-efficiency toilet brings you annual water savings.

## Features

- Two-piece design
- Elongated bowl offers added room and comfort
- Skirted trapway simplifies cleaning.
- Revolution 360® flushing technology generates a forceful swirling motion to keep the bowl clean longer

## Cimarron Comfort Height

The Cimarron Comfort Height toilet has become an enduring symbol of power and timeless beauty. Trusted for years by professionals and homeowners, Cimarron features Kohler's most complete flush ever, Revolution 360 swirl flush powered by the AquaPiston flush valve. Revolution 360® swirl flushing technology keeps your bowl cleaner longer than a conventional flush. Installation saves you time and money, too, with Kohler's patent-pending two-bolt tank-to-bowl omni-directional leveling system.

## Features

- Two-piece design
